*Hey there!*

*I want to extend a huge thank you for your time in creating a presentation to be considered for the upcoming 2018 The City of Firsts United State of Women Power Brunch.*

*My name is Kalena James. I'm the owner of LCR Coaching, a Business Leadership Coaching Company in Kokomo, Indiana. On October 26th, 2018 I am thrilled to bring women like yourself together for a day of empowerment and community right here in Kokomo, Indiana. The Power Brunch gives ladies in our community and its surrounding cities the opportunity to brunch, bond, and build with like-minded professionals. Women will leverage business success through networking, and elevate their leadership skills through interactive discussions with one another.*

*We're seeking experts with a breadth of knowledge and a story to share with the women in attendance. We would like to invite you to submit a presentation. If selected among the candidates, you will have an exclusive opportunity to share wisdom and guidance with the women that attend our conference.*

*Although our limited treasury does not permit payment of fees or expenses for speakers, we are hoping that your interest in being one of our elite ladies of power will be a sufficient incentive for you to be with us.*

*If selected, I will share more of the details, the guest list, our mission, and my expected outcomes for the presenters and ladies attending the event, as well as the potential ongoing opportunities available to you after the Power Brunch. If you are interested, click link below for further details. **Please submit requested information by COB Friday, May 4, 2018.***

*Warm Regards,*
